How to contact us

Personal information we collect

Information you provide to us. Personal information you may provide to us through the Service includes:

- **Contact data**, such as your first and last name, email address, mailing address, professional title and company name, and phone number.
- **Demographic Information**, such as your city, state, country of residence, and postal code.
- **Communications** that we exchange with you, including when you contact us with questions or feedback through the Service.
- **Marketing data**, such as your preferences for receiving our marketing communications and details about your engagement with them.
- **Other data** not specifically listed here, which we will use as described in this Privacy Policy or as otherwise disclosed at the time of collection.

Third-party sources. We may combine personal information we receive from you with personal information we obtain from other sources, such as:

- **Public sources**, such as government agencies, public records, social media platforms, and other publicly available sources.
- **Data providers**, such as information services and data licensors that provide demographic and other information.
- **Our affiliate partners**, such as our affiliate network provider and publishers.
- **Marketing partners**, such as joint marketing partners and event co-sponsors.

Automatic data collection. We, our service providers, and our business partners may automatically log information about you, your computer or mobile device, and your interaction over time with the Service, our communications and other online services, such as:

- **Device data**, such as your computer's or mobile device's operating system type and version, manufacturer and model, browser type, screen resolution, RAM and disk size, CPU usage, device type (e.g., phone, tablet), IP address, unique identifiers, language settings, mobile device carrier, radio/network information (e.g., Wi-Fi, LTE, 3G), and general location information such as city, state or geographic area.

- **Online activity data**, such as pages or screens you viewed, how long you spent on a page or screen, the website you visited before browsing to the Service, navigation paths between pages or screens, information about your activity on a page or screen, access times and duration of access, and whether you have opened our marketing emails or clicked links within them.
- **Location data** when you authorize the Service to access your device's location.

Cookies and similar technologies. Some of our automatic data collection is facilitated by cookies and similar technologies. Like many online services, we use the following technologies:

- **Cookies**, which are text files that websites store on a visitor's device to uniquely identify the visitor's browser or to store information or settings in the browser for the purpose of helping you navigate between pages efficiently, remembering your preferences, enabling functionality, helping us understand user activity and patterns, and facilitating analytics.
- **Local storage technologies**, like HTML5 and Flash, that provide cookie-equivalent functionality but can store larger amounts of data, including on your device outside of your browser in connection with specific applications.
- **Web beacons**, also known as pixel tags or clear GIFs, which are used to demonstrate that a webpage or email address was accessed or opened, or that certain content was viewed or clicked.

These technologies are used for the following purposes:

- **Technical operation.** To allow the technical operation of the Service, such as by remembering your selections and preferences as you navigate the site, and whether you are logged in when you visit password protected areas of the Service.
- **Analytics.** To help us understand user activity on the Service, including which pages are most and least visited and how visitors move around the Service, as well as user interactions with our emails. For example, we use Google Analytics for this purpose. You can learn more about Google Analytics here <https://analytics.google.com/analytics/web/provision/#/provision> and how to prevent the use of Google Analytics relating to your use of our sites here: <https://tools.google.com/dlpage/gaoptout?hl=en>.

How we use your personal information

We may use your personal information for the following purposes or as otherwise described at the time of collection:

Service delivery. We may use your personal information to:

- provide, operate and improve the Service and our business;
- enable security features of the Service;
- communicate with you about the Service, including by sending announcements, updates, security alerts, and support and administrative messages;
- understand your needs and interests, and personalize your experience with the Service and our communications; and
- provide support for the Service, and respond to your requests, questions and feedback.

Research and development. We may use your personal information for research and development purposes, including to analyze and improve the Service and our business.

Marketing. We and our service providers may collect and use your personal information for marketing purposes:

- **Direct marketing.** We may send you ArsenalBio-related or other direct marketing communications as permitted by law. You may opt-out of our marketing communications as described in the [Opt-out of marketing](#) section below.

Compliance and protection. We may use your personal information to:

- comply with applicable laws, lawful requests, and legal process, such as to respond to subpoenas or requests from government authorities;

- protect our, your or others' rights, privacy, safety or property (including by making and defending legal claims);
- audit our internal processes for compliance with legal and contractual requirements and internal policies;
- enforce the terms and conditions that govern the Service; and
- prevent, identify, investigate and deter fraudulent, harmful, unauthorized, unethical or illegal activity, including cyberattacks and identity theft.

With your consent. In some cases, we may specifically ask for your consent to collect, use or share your personal information, such as when required by law.

To create anonymous, aggregated or de-identified data. We may create anonymous, aggregated or de-identified data from your personal information and other individuals whose personal information we collect. We make personal information into anonymous, aggregated or de-identified data by removing information that makes the data identifiable to you. We may use this anonymous, aggregated or de-identified data and share it with third parties for our lawful business purposes, including to analyze and improve the Service and promote our business.

Retention. We generally retain personal information to fulfill the purposes for which we collected it, including for the purposes of satisfying any legal, accounting, or reporting requirements, to establish or defend legal claims, or for fraud prevention purposes. To determine the appropriate retention period for personal information, we may consider factors such as the amount, nature, and sensitivity of the personal information, the potential risk of harm from unauthorized use or disclosure of your personal information, the purposes for which we process your personal information and whether we can achieve those purposes through other means, and the applicable legal requirements.

When we no longer require the personal information we have collected about you, we may either delete it, anonymize it, or isolate it from further processing.

How we share your personal information

We may share your personal information with the following parties and as otherwise described in this Privacy Policy or at the time of collection.

Affiliates. Our corporate parent, subsidiaries, and affiliates, for purposes consistent with this Privacy Policy.

Service providers. Third parties that provide services on our behalf or help us operate the Service or our business (such as hosting, information technology, customer support, email delivery, marketing, and website analytics).

Third parties designated by you. We may share your personal data with third parties where you have instructed us or provided your consent to do so. We will share personal information that is needed for these other companies to provide the services that you have requested.

Business and marketing partners. Third parties with whom we collaborate on joint activities, with whom we have entered into joint marketing relationships or other joint ventures, or who we think may offer you products or services that you may enjoy.

Professional advisors. Professional advisors, such as lawyers, auditors, bankers and insurers, where necessary in the course of the professional services that they render to us.

Authorities and others. Law enforcement, government authorities, and private parties, as we believe in good faith to be necessary or appropriate for the [compliance and protection purposes](#) described above.

Business transferees. Acquirers and other relevant participants in business transactions or potential business transactions (or negotiations and diligence for such transactions) involving a corporate divestiture, merger, consolidation, acquisition, reorganization, sale or other disposition of all or any portion of the business or assets of, or equity interests in, ArsenalBio or our affiliates (including, in connection with a bankruptcy or similar proceedings).

Your choices

You have the following choices with respect to your personal information.

Opt-out of marketing communications. You may opt-out of marketing-related emails by following the opt-out or unsubscribe instructions at the bottom of the email, or by [contacting us](#). Please note that if you choose to opt-out of marketing-related emails, you may continue to receive service-related and other non-marketing emails.

If you receive marketing text messages from us, you may opt out of receiving further marketing text messages from us by replying STOP to our marketing message.

Mobile location data. You can disable our access to your device's precise geolocation in your mobile device settings.

Do Not Track. Some Internet browsers may be configured to send "Do Not Track" signals to the online services that you visit. We currently do not respond to "Do Not Track" or similar signals. To find out more about "Do Not Track," please visit <http://www.allaboutdnt.com>.

Declining to provide information. We need to collect personal information to provide certain services. If you do not provide the information we identify as required or mandatory, we may not be able to provide those services.

Other sites and services

The Service may contain links to websites, mobile applications, and other online services operated by third parties. In addition, our content may be integrated into web pages or other online services that are not associated with us. These links and integrations are not an endorsement of, or representation that we are affiliated with, any third party. We do not control websites, mobile applications or online services operated by third parties, and we are not responsible for their actions. We encourage you to read the privacy policies of the other websites and mobile applications and online services you use.

Security

We employ a number of technical, organizational and physical safeguards designed to protect the personal information we collect. However, security risk is inherent in all internet and information technologies and we cannot guarantee the security of your personal information.

International data transfer

We are headquartered in the United States and may use service providers that operate in other countries. Your personal information may be transferred to the United States or other locations where privacy laws may not be as protective as those in your state, province, or country.

Children

The Service is not intended for use by children under 13 years of age. If we learn that we have collected personal information through the Service from a child under 13 without the consent of the child's parent or guardian as required by law, we will delete it.

Changes to this Privacy Policy

We reserve the right to modify this Privacy Policy at any time. If we make material changes to this Privacy Policy, we will notify you by updating the date of this Privacy Policy and posting it on the Service. If required by applicable law we will also provide notification of changes in another way that we believe is reasonably likely to reach you, such as via email or another manner through the Service. Any modifications to this Privacy Policy will be effective upon our posting the modified version (or as otherwise indicated at the time of posting). In all cases, your use of the Service on or after the effective date of any modified Privacy Policy indicates your acceptance of the modified Privacy Policy.
